

Guest Admission Criteria

Please be aware that we are not an emergency shelter and therefore cannot meet your immediate need for housing!

To meet the criteria for the Hope House program you

- Must be at least 18 years old and female.
- Must not be pregnant.
- Must not be accompanied by male children over the age of 9.
- Cannot be medically fragile.
- Cannot be experiencing significant mental health challenges or being prescribed psychotropic medications.
- Are drug and substance free and can remain so.
- Are not in the process of disability determination planning or planning to apply for disability.
- Are employable, medically fit and willing to work full time.
- Do not possess a significant criminal history.
- Are not fleeing a domestic violent situation or order of protection.
- Would be willing to make significant life changes to become stable.
- Must be willing to live in community shared spaces.
